Hello local artist!

We're writing on behalf of the Kirkland Lake Arts Club and Museum of Northern History respectively; coordinators of a committee dedicated to bringing you the first annual Kirkland Lake Arts Festival (KL Arts Fest)!

This festival will be a blend of symposium (with workshops, demonstrations and networking), market (with food, art, and service vendors), interactive art exhibition, performances, and overall celebration of art in the North!

As you can imagine, we're dreaming big! We want to host as many types of artists as possible from our little Northern space. We want to showcase budding as well as professional artists and artisans: potters, sculptors, jewellers, woodworkers, tattoo artists, painters, performers (dance and music), videographers/photographers and graphic artists, culinary artists, poets and writers, fringe artists, etc ... An event specifically to join together and celebrate art; a space created for those who are being called to art to explore, grow and connect.

This event will take place on **Friday, August 18th (6-9 p.m.) and Saturday, August 19th (10 a.m. – 3 p.m.)**. It will be a smorgasbord of creative goodness! And we would love for you to be part of it.

The Arts Fest will be held at the beautiful Sir Harry Oakes Chateau/Museum of Northern History in Kirkland Lake both indoors and outdoors (weather permitting). As an artist you can participate in many ways! We have tables to rent for those artists looking sell or promote their art products and/or services. We also have time slots to host those artists who would like to offer a demonstration, workshop, presentation and/ or "Art Talks" (our art version of "Ted Talks")!

Included in this package you will find important information regarding this event and the registration forms. Should you wish to share in the success of this event by becoming a vendor and/ or demonstrator/ presenter please fill out the forms and return to the Museum secured with payment by **Wednesday, August 2nd**.

Please share this information with other local-to-the-North artists (Temiskaming-Cochrane district). If your right-brain is firing off and you would like to participate in the organizing and planning of this event in the future or if you'd like to join like-minded artists please contact the Kirkland Lake Arts Club for more information.

We look forward to working (and creating) with you!

Jamie Cowie & Kaitlyn McKay
